DARC Corporation Achieves Oracle PartnerNetwork Specialization With Oracle E-Business Suite Supply Chain Management

Oracle Recognizes DARC Corporation for Expertise in Providing Consulting Services for Oracle E-Business Suite Release 12

HOFFMAN ESTATES, IL – DARC Corporation today announced that it has become "Specialized" with Oracle E-Business Suite Supply Chain Management through the Oracle PartnerNetwork (OPN). By becoming Specialized in Oracle E-Business Suite Supply Chain Management, Oracle has recognized DARC for its commitment to establishing in-depth expertise and excellence in delivering implementation, upgrade, integration and training for the Oracle E-Business Suite Release 12 and for uniquely addressing customer challenges in the areas of Manufacturing and Supply Chain Management.

DARC is an Oracle Systems Integrator providing world-class business process consulting services including process optimization, implementations, upgrades, business intelligence, integration, organizational change management and managed services. DARC is pleased to take this significant step towards fulfilling the requirements of the OPN Platinum Level membership.

"We recognize the real value of being an Oracle PartnerNetwork Platinum Partner, and we appreciate the value of OPN Specialization which distinguishes DARC in the marketplace. Being Specialized provides clarity to Oracle's customers in identifying those who have earned the accreditation through competency, expertise and proven customer success. Customers will have greater assurance when selecting a firm who is Specialized within a particular field of expertise." - Brian Connolly, President and CEO, DARC Corporation

"Oracle congratulates DARC in reaching another significant milestone in our long-standing relationship by becoming one of the first OPN members in North America to achieve an Oracle E-Business Suite Supply Chain Management Specialization. By becoming Specialized, partners are able to offer in-depth expertise in their field and differentiate themselves in the market." - Ted Bereswill, Senior Vice President, Sales, Oracle.

About DARC

DARC is a highly accomplished consulting firm with the experience and industry expertise to guide executives through business process optimization that will allow them to achieve increased productivity. Our teams of industry professionals have the insight to identify areas of improvement and propose and implement solutions that increase efficiencies, lower costs and increase competitiveness.

As a Platinum Level member of the Oracle PartnerNetwork, our mission is to provide world-class business process consulting services enabled by Oracle solutions to our clients at the greatest possible value.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunities. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
